

EASYSPO T SANY

ECO-FRIENDLY STAIN REMOVER FOR CLEANING IN WATER WITH SANITIZING ACTION

EASYSPO T SANY is a stain remover of innovative formulation that develops a strong sanitizing and bleaching action even in cold water.

Aspect	Viscous liquid
Color	White
Smell	Odourless
pH at 20° C solut. 10 g/l	3.5
Solubility in Water	Excellent
Freezing temperature	Less than - 3° C

EASYSPO T SANY facilitates the elimination of stubborn stains due to oxygen given off at contact with water.

EASYSPO T SANY is suitable for the treatment of white and coloured clothes. Can be used on all types of fabric because it is not in the least aggressive. The product is biodegradable and its impact on the environment is virtually nil.

EASYSPO T SANY can be used in combination with detergent (eg. SURFLEAN) adding in the machine 2-3 g per liter of water. In this case acts as a stain remover and whitener. To obtain a complete sanitizing action, dose in the rinsing phase 5-6 g per liter of water at a temperature of 20 °/30 ° C.

EASYSPO T SANY can be stored for about 1 year.
The container should always be tightly closed after drawing.

Plastic container with 5 – 10 – 25 Kg content.

840705 = 5 Kg 840710 = 10 Kg 840725 = 25 Kg
